

# Personal Hygiene Kits for the Tohoku victims

During times of crisis, victims need hygiene supplies to keep clean and prevent the spread of disease. As part of our efforts to assist those affected by the recent disaster in the Tohoku region, HOPE International Development Agency Japan is asking the community to help make hygiene kits that will be distributed in shelters and isolated communities. Our aim is to collect 1,000 kits in the coming days. This is a perfect opportunity for groups, friends and families to help those in need.

**Help prevent the spread of disease.  
Let's show Tohoku we care.**

Please collect in a large re-sealable bag the following items:

- Packet of all-age friendly wet tissues
- 1 large pack (120g) toothpaste
- 1 pack of disposable razors
- 1 or 2 toothbrushes
- Sanitizing hand gel
- 1 soft face towel
- 3 bars of soap
- Nail clippers
- 1 hair brush

If you don't already have a clean, unused L-size zip bag, extras will be available.

**OR**

A donation of 1,500 yen covers the items and transportation for 1 kit.

To make a donation please visit:
